

Reflection tools for busy teachers livestream was well received by the global community of teachers. The highest views came from Asia: Vietnam, Thailand, India, Myanmar and Pakistan. The video got 300 reactions, 90+ comments and has been shared 38 times. Tom helped break it down and explain some of the most suitable tools for the teachers who were joining live. This created a healthy demand to know where they could find and download the publication. Tom addressed queries directly from contributions made by the audience. And this was very much appreciated, Saddam in Iraq 'Thanks for answering'. Other appreciation, Rachna 'Thx u for sharing anecdotes personal experiences!!!'
